GURU NANAK DEV UNIVERSITY

Guru Nanak Dev University was established on November 24, 1969 to mark the birth quincentenary of Sri Guru Nanak Dev Ji, the founder of Sikhism. The University upholds the teachings and values of the Guru, the apostle of universal brotherhood, truthfulness, non-violence, compassion, tolerance, harmony, humanity, who strictly observed moral and ethical values in daily life.

Ever since its foundation the endeavor of the University has always been to meet the objectives enshrined in the Guru Nanak Dev University Act 1969, which emphasize that the new University would make provisions for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology. Hence, it has been promoting education in such fields as Basic and Applied Sciences, Arts, Management, Information Technology, Media, Industrial Technology, Environment, Planning and Architecture Studies. In addition, research on the life and teachings of Guru Nanak Dev ji, promotion of Punjabi language and spreading education among educationally backward classes and communities are its other commitments.

The UGC conferred this University with status of “University with Potential for Excellence” in 2012. The National Assessment and Accreditation Council (NAAC), Bangalore in December 2022 re-accredited the University in 4th cycle with **CGPA of 3.85 out of 4-pointscale at “A++” grade** highest level, as per accreditation framework of NAAC. Earlier, it had been accredited at “A” grade level in 2000, re-accredited in 2nd cycle 2007 with CGPA of 3.50/4.00 then re-accredited in 3rd cycle in 2014 with CGPA 3.51/4.00. The current H index of the university is 157 indicating the quality of research publications at national and international level.

Guru Nanak Dev University, Amritsar has become the only University of Punjab to get the elite "Category-1" status by the University Grants Commission (UGC), giving autonomy to open new Departments, schools, off-campus facilities and starts new schools and distance learning programmes, besides the freedom to hire foreign faculty without the UGC’s approval.

With the motto of the University as engraved on its emblem ‘Guru's wisdom illumines all’, the University has been leaving no stone unturned to meet the aspirations and expectations of the society. Spread over area of 500 acres towards the west of the city, Guru Nanak Dev University presents a picture of lush green landscape, modern architecture and sustainable environment. The

University today boasts of 45 teaching Departments at the Campus, two regional campuses and 170 affiliated, university and constituent colleges, many of which are located in the rural areas so as to make quality Higher Education accessible to the rural masses. All the programmes of the university compile the guidelines of New Education Policy 2020.

More than twenty thousand students, an overwhelming majority of them being women, are enrolled in various Departments at University Campus, Regional Campuses and University-Constituent Colleges. Online admission, online Counselling, online re-evaluation, introduction of Credit Based Evaluation & Grading System etc. are a few hallmarks of the University. All the results have been computerized and OMR (Optical Magnetic Recognition) system is being used to bring in more efficiency and transparency. It is the first University in the region to have computerized its examination and registration system. The students now have an all-time access to their results through SMS service.

Academically also, the University has carved a niche for itself in the field of Higher Education in the country. Our university is recognized as one of the leading institutions in North India in the domain of Arts, Humanities, Science and Technology. Many coveted projects from the apex bodies like MHRD, DST, CSIR, BARC and other organizations worth crores of rupees have been awarded to our faculty members. One of the four Nodal Calibration Centres established by Bhabha Atomic Research Centre is set up at our campus. The Centre of Emerging Life Sciences equipped with the state-of-the-art scientific instrument's worth crores of rupees, a well-maintained Botanical Garden, Department of Sports Medicine & Physiotherapy are a few to mention. A well-equipped modern computer lab with the help of TCS has been established to strengthen the University infrastructure and to prepare students for employment. Presently, a Centre with Potential for Excellence in Life Sciences and a Centre for Advanced Study in Chemistry granted by UGC are working successfully in the University. A Centre for Entrepreneurship and Innovation is being set up in the university under the aegis of *Rashtriya Uchchatar Shiksha Abhiyan* to provide skill-oriented training and incubation facilities.

The fact that the University has been the winner of the coveted Maulana Abdul Kalam Azad Trophy, the highest Sports award for a University in the country, for a record number of 25 times, speaks volumes about its supremacy in the field of Sports. An Astro Turf for hockey, a swimming pool of International Standards, a velodrome, a gymnasium hall, a shooting range and many other state-of-the art Sports facilities are the prized possessions of the University. The Lifelong Learning Department of the University is successfully catering to the male and female folk of the region to make them self-dependent by offering various skill development programmes.

The track record of employment of our students by big business houses and multinational companies has been very satisfactory. Our students of engineering, planning, architecture, management and commerce field are employed by government sector and companies in India and abroad. They are all contributing to the credit worthiness of the University by their hard work and diligence. All these achievements and successes are due to the heart and soul put in by the students, faculty members, and administration of the University.

Vice Chancellor's Message

With a legacy spanning over 50 years, Guru Nanak Dev University stands as a beacon of academic excellence, knowledge, and societal advancement. Committed to high academic standards and holistic development, the University offers diverse programs across the arts, sciences, humanities, social sciences, and professional fields, equipping students to meet modern challenges with confidence and competence.

Recognized as a 'Category-One University,' Guru Nanak Dev University holds the highest NAAC accreditation of A++ with a score of 3.85/4.00. It has also been conferred the status of "University with

Potential for Excellence" by the UGC and is recognized among the top-performing state public universities in India. These distinctions reflect the University's commitment to academic quality, governance, and societal engagement.

The institution's academic strength is driven by its distinguished faculty and growing research impact, evidenced by a significant rise in its h-index from 64 to 175 in recent years. Its achievements are further reinforced through strong national and global rankings, including top placements in surveys such as THE WEEK–HANSA and India Today–MDRA, along with notable positions in QS and EduRank rankings.

Rooted in the philosophy of Guru Nanak Dev Ji, the University promotes inclusivity, service, and intellectual growth. It has evolved into a vibrant academic ecosystem that blends tradition with innovation and local relevance with a global outlook. Beyond education, its mission is to nurture responsible, ethical, and globally aware citizens capable of addressing contemporary challenges and contributing meaningfully to society.

Guru Nanak Dev University (GNDU) has established a remarkable legacy in sports, culture, and youth development, recognizing that holistic education extends beyond academics. The University has won the prestigious Maulana Abul Kalam Azad (MAKA) Trophy a record 25 times, reflecting its unparalleled excellence in university sports. It has also been recognized as a "One District One Green Champion" by the Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Education, for its commitment to sustainability and social responsibility. GNDU secured the overall second runner-up position at the AIU 39th Inter-University North Zone Youth Festival (2025–26), showcasing its vibrant cultural ethos.

Aligned with global trends, GNDU has launched pioneering initiatives such as the Surjit Patar Centre for Ethical AI and a state-of-the-art 5G Use Case Lab. It has also introduced GNDU RAABTA 89.6 FM, a community radio station promoting education, awareness, and public engagement.

Academically, GNDU is a leading multidisciplinary institution in North India. Faculty members have secured major research grants from agencies such as MHRD, DST, CSIR, and BARC. Notably, BARC has established a nodal calibration centre on campus. In 2025, GNDU signed several national and international MoUs, strengthening academic exchange and research collaboration while attracting international students.

The University promotes research through 100 Ph.D. fellowships and ensures inclusivity by reserving seats for students from border and rural areas. With modern infrastructure, strong placement records, and over 80% student employability across multinational companies, GNDU fosters career readiness.

Guru Nanak Dev University (GNDU) is proactively responding to evolving industry demands and national skill development goals by introducing AI-based, job-oriented courses and advanced skill development programmes through its Department of Lifelong Learning. The Golden Jubilee Centre for Entrepreneurship and Innovation (GJCEI), established under RUSA 2.0, serves as a dynamic hub for innovation and entrepreneurship and currently supports 14 startups. The University has also showcased its sustainable technological solutions at MACHMA EXPO 2025 in Chandigarh and established a Food Processing Unit under RUSA 2.0. In addition, the Centre for Agriculture Research and Innovation (CARI) is conducting pioneering research on high-value crops such as low-chill apples, bananas, saffron, and nutrient-rich varieties of sweet potatoes, contributing to agricultural sustainability, rural development, and food security.

GNDU is distinguished by its state-of-the-art infrastructure, including modern classrooms, advanced laboratories, world-class research facilities, well-equipped libraries, extensive sports complexes, and comfortable hostels. Its eco-friendly, digitally enabled campus fosters intellectual curiosity, creativity, collaboration, and holistic development. The University has embraced digital transformation across academic and administrative processes. Its credit-based evaluation system and active placement cell ensure academic continuity and career readiness, with over 80% of students securing placements in leading multinational companies.

The University's interdisciplinary academic approach—integrating sciences, humanities, social sciences, and applied disciplines—has earned national recognition for promoting critical thinking, creativity, and problem-solving. With an h-index of 175 in 2026, GNDU reflects strong research output and global academic standing. Committed to innovation, ethical values, and societal impact, GNDU continues to empower students as responsible citizens and future leaders while contributing meaningfully to national and global progress.

As you begin this academic journey, we encourage you to seize the numerous opportunities available at Guru Nanak Dev University. Whether you are conducting research, participating in cultural initiatives, engaging in community service, or pursuing personal and professional growth, the University offers a dynamic environment to nurture your ambitions. Its commitment to entrepreneurship and industry partnerships ensures that students are well-prepared to contribute to a rapidly evolving global landscape. Upholding the values of integrity, inclusivity, and excellence, GNDU ensures that its students emerge as responsible citizens and future leaders. Together, let us work towards a future defined by progress, innovation, and academic excellence—making meaningful contributions to society and leaving a lasting impact on the world.

Dean Academic Affairs's Message

Established in 1969, Guru Nanak Dev University is counted among the premier institutions of higher education in India and is widely known for its excellence in teaching, research, sports as well as cultural activities. It is an honour to serve this institution as Dean, Academic Affairs. In line with the provisions in Guru Nanak Dev University Act 1969, the University has created provisions to impart education to promote teaching and research in all disciplines including sciences, engineering and technology, life sciences, arts, social sciences, education, humanities, languages as well as religious studies and sports among others. The University has gained distinction in

catering to the education needs of underprivileged society, especially in the rural areas. From the session 2025-26 onwards, University has given 5% each of Supernumerary Seats under the Categories of Border Area/Rural Area. With 46 different Departments organized in fourteen different faculties, the University has regional campuses in Jalandhar and Gurdaspur in addition to University colleges at Mukandpur, Jalandhar and Niari. Additionally, University has 14 constituent colleges located at different places in Punjab. The University has over 13878 students and more than 295 faculty members teaching different programmes under the Credit Based Continuous Evaluation (CBCE) and grading system.

The faculty of Guru Nanak Dev University has achieved visibility at national as well as international level, which is attested by the number of awards and distinctions they have received in their respective disciplines. Some of these awards include fellowships of all major societies of science, medicine and other disciplines, medals of national societies, lecture awards and other coveted distinctions in sports. The most recent being the accreditation of the university by the National Assessment and Accreditation Council (NAAC) with highest A++ Grade at a score of 3.85 on 4.00 scale making it one of the best universities of the country. The “Category One” status in the region of Punjab and Chandigarh, recognition as one of the top ten “High Performing State Public Universities” across India, status of “University with Potential for Excellence” by UGC, the second rank amongst the cleanest higher educational institutions in the country in the category of Government Universities by the Ministry of Human Resource Development, Government of India, the increase in the H-index to 175 in 2026 from 64 in 2017, winning the Maulana Abul Kalam Azad Trophy 25 times till 2025, represent that Guru Nanak Dev University has always encouraged its students and faculty towards determination, fortitude, resilience and distinction. Further, to foster the research activities, the University is committed to provide 100 fellowships for Ph.D. Scholars from its own resources. It is noteworthy that University student won the Gold Medal in women's 50 metre rifle 3 position event at Shooting World Cup in Buenos Aires, 2025.

I am sure, under the dynamic leadership of Prof. (Dr.) Karamjeet Singh, Vice-Chancellor, the University is well poised to achieve more laurels at national and international level.

- 11. Fees and Fee concession:** For approximate University tuition fee for various programmes see Fee Structure in *Details of the Courses offered*.
- (i) 10% of the students admitted in each Programme may be considered for half-fee exemption under 'fee exemption to poor students' as per University rules.
 - (ii) Fee may be escalated to the tune of 5% every year for new admissions.
 - (iii) The University also offers a number of scholarships and awards to its students. For further details, see *Scholarships and Awards*.
- 12. Refund of fee/security:** The following rules shall apply.
- (i) If the candidate does not join the Programme/Class and surrenders the seat at the entry level of Programme the tuition fee, funds, examination fee, miscellaneous fee and amenities fee deposited by such a candidate at the time of admission will be refunded as per UGC norms.
 - (ii) A candidate is allowed to shift from one Programme to another Programme. For this purpose, fee and funds deposited by him/her will be adjusted after charging Rs. 5000/- (for each shifting) as shifting fee. These rules will be applicable for University Campus and Regional Campuses. However, shifting is not allowed after the admission process is over.
- 13. Prohibition of Ragging:** Ragging of any type is strictly prohibited on the campus. Each student must follow the directives given in *Ragging: Prohibition, Prevention and Punishment*.
- 14. Attendance:** The following general rules shall apply.
- (i) 75% Attendance in theory and practical separately in each paper is mandatory.
 - (ii) If a student does not attend the classes continuously for fifteen days without any information to the Head of the Department concerned, his/her name is liable to be struck off the rolls of the Department. He/she may seek re-admission giving valid reason for his/her absence within next fifteen days failing which he/she will forfeit the right of re-admission.
 - (iii) A full-time student of a Programme is not allowed to join a full time job. Any student found doing this at any time shall be liable to lose his/her admission or degree even at a later stage. However, this shall not apply to students who have taken leave for study from their employers.

(iv) Admission to two full-time Programmes is not allowed simultaneously.

Reservation Policy

(A) Reservation Policy in the University Teaching Departments/Regional Campuses for admission in UG and PG programmes is as under:

Category	% age
(1) General	52%
(2) Schedule Caste	20%
(3) Backward Class	8%
(4) Ex-Serviceman/Ex-Serviceman(Dependent) : Ex-Serviceman/Ex-Serviceman(Dependent) General : 7% Ex-Serviceman/Ex-Serviceman(Dependent) SC : 4% Ex-Serviceman/Ex-Serviceman(Dependent) BC : 2%	13%
(5) Freedom Fighters (General)	1%
(6) Persons With Disabilities	3%
(7) Sports : Sports (General) : 2% Sports (SC) : 1%	3%

Explanations:-

(4) 13% reservation is provided to ex-servicemen and their dependants by providing reservation within reservation of:

- * 7% to General Category Ex-serviceman,
- * 4% to Scheduled Caste Ex-serviceman and
- * 2% to Backward Class Ex-serviceman.

This Horizontal reservation is applicable for admission to the various educational institutions of the Punjab Govt. :

- a. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 22.10.2009, if Ex-serviceman is not available from SC category, then the seats will be filled from amongst SC (General) Category only.
- b. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 03-01-2017, if Ex-serviceman is not available in Backward Category, then the seats will be filled from amongst Backward Category (General) only.

- c. Further, if the seats still remain vacant which are reserved for Ex-serviceman, the conversion of seats may be done from Ex-servicemen to General at the time of physical counselling (i.e. vacant seats will be filled up on merit basis by the University).
- (5) 1% reservation is provided to wards of Freedom Fighters :
However, in the event of quota reserved (1%) for Freedom Fighters category remains unutilized, the conversion of seats may be done from Freedom Fighters Category to General at the time of physical counselling (i.e. vacant seats will be filled up on merit basis by the University).
- (6) 3% reservation is for the PWD only and it will not be further bifurcated into General, SC and BC i.e. an eligible PWD candidate (as per State disability norms) will be allotted the seat on the basis of the merit irrespective of its Category (General, SC or BC).
- a. In the event of quota reserved for suitable category of disabled candidates remains unutilized (i.e. 1% for Blindness or low vision, 1% hearing impairment & 1% for locomotor disability or cerebral palsy), the unutilized seats benefit may be given to other suitable categories of PWD on merit basis i.e. seat share for blindness will be transferred to hearing or locomotor disability and vice versa.
- b. In the event of quota reserved (3%) for Persons with Disabilities remain unutilized, the conversion of seats may be done from PWD to General at the time of physical counseling (i.e. vacant seats will be filled up on merit basis by the University).
- (7) 3% reservation is provided to Sports category candidates which is further bifurcated horizontally into 2% reservation for Sports (General) and 1% for Sports (SC) :
- a. As per instructions of Department of Social Justice, Empowerment & Minorities vide letter dated 22.10.2009, if Sports person is not available in SC category, then the seats will be filled from amongst SC Category (General) only.
- b. However, (i) in the event of quota (2%) for General Category in the Sports Category remains unutilized, then the conversion of seats may be done from Sports Category (2%) to General Category at the time of physical counselling.
- (ii) in the event of quota (1%) for SC Category in the Sports Category remains unutilized, then the conversion of seats may be done from Sports SC Category (1%) to General SC Category at the time of physical counselling.

While working out the percentage of seats in the Reserved Categories as per State reservation policy, if the number arrived at, contains a fraction, this shall be resolved as follows :

- a. If the fraction is 0.5 or more, it shall be rounded off to 1; if it is less than 0.5, it shall be ignored. For instance: 2.4 seats would rounded off to 2 ; similarly 2.6 would be rounded off to 3.

- b. After rounding up or down – if the total number of seats after making this adjustment exceeds the prescribed number fixed for the programme, the necessary additional seats shall be created and considered as part of the total number of sanctioned seats. This shall, however, not affect the total number of seats in the General Category.

A roster register for reservation of seats for ex-servicemen/PWD/FF shall be maintained and carry forward all fractions through different fractions over the years till the accumulation of fraction is 0.5 or greater. As and when the total sum value of fractions exceeds to 0.5 or greater, a seat will be provided in that particular category. The carry forward, accumulation and rounding off cycle will go on and on.

Note: 1. The Inter-se priority for reservation to the wards of Armed Forces personnel for admission in education institutions will be as provided by the letter No. 6(1)/2017D (Res. II) dated 21.05.2018.

2. In case of Persons with Disability seeking admission in educational institutions there will be a relaxation of 5 years in the upper age limit where ever applicable.

2. (B) Common Weightage Admission Policy in the University Teaching Departments/Regional Campuses is as under:

Weightage (UG only)						
NCC	A	B		C		
	1%	2%		3%		
NSS	Grade			Position		
	O	A	B	1st	2 nd	3 rd
	1%	1%	NA	1%	1%	NA

Competency Development

The curriculum of **M.Tech in Electronics and Communication Engineering** focuses mainly on the analysis and designing of advanced communication systems. It involves researching, designing, developing and testing of latest communication systems. To augment their skills further, the students undergo research work for 6 months where they apply advanced level knowledge, techniques, skills and modern tools in the field of Communication systems and sub areas such as wireless communication, nano-electronics, photonics, signal processing, advanced digital and microwave communication systems. The research work helps them to respond to global policy initiatives and meet the emerging challenges with sustainable technological solutions in the field of communication systems. This empowers the students for higher education such as PhD. and undertakes various MHRD projects.

The aim of **M.Tech in Computer Science and Engineering** is to equip students with knowledge in both advanced concepts of core Programmes and specialized subjects related to upcoming technologies. The objective is to equip students with skills that enable them to pursue a career in Research and Development, Academics, and as professionals in computer science for national and international organizations. The goal is to empower students to develop an entrepreneurial mind set and demonstrate their leadership and technical abilities in adapting to the challenges posed by emerging technologies. The students have a mandatory Research work where they apply modern tools and technologies, advanced level knowledge,

techniques and skills. The graduates are able to analyse the research problems to find possible solutions to meet the IT Industry requirement. The students after completion of their Programme can also apply for doctoral Programmes and undertake various research projects.

Learning Outputs

- To learn advanced fields and undertake research in communication systems.
- To apply knowledge and skills in industrial, academic or research career with creativity, commitment and social consciousness.
- To understand the latest technological advancements and employ modern tools to analyze and design subsystems or processes for various applications.

Competency Development:

The curriculum of **B.Tech (Computer Science & Engineering)** is designed considering the needs of IT industry. In the first year of this Programme, students learn the fundamentals of engineering and gradually in subsequent years they are taught with the core competencies and skill enhancement programmes. To make the students industry ready, programme includes a mandatory project development and industrial training for 5-6 months duration in the last semester that boosts up the employability of students and make them familiar with the work environment. After, completion of the four year degree programme, the graduates are well trained to design, implement and evaluate a computer oriented system, process and program to meet the IT industry requirements. They can easily apply knowledge of computation and mathematical approaches according to their desire outcomes. The students can also opt to pass National level exams (UGC-NET/GATE) for pursuing higher education.

B.Tech. (Electronics & Communication Engineering) provides a strong foundation in theoretical, practical and design aspects of Electronics and Communication Engineering. The curriculum covers all areas of electronics and communication engineering under the broad categories of electronic circuits, electronic devices, signal processing and communication. The industrial training is offered for 4 weeks in 4th semester and 6 months in 8th semester to familiarize the students for the industrial environment. The curriculum is designed to prepare the students for GATE/ National exams for higher education programmes and for placements in eminent international/ National companies.

B.Tech. (Electronics & Computer Engineering) provides a strong foundation in theoretical, practical and design aspects of Electronics and Computer Engineering. The curriculum covers all areas of electronics and computer engineering under the broad categories of electronic devices and circuits, programming languages, machine learning, IOT, AI and communication. The students are able to design and implement a computer-oriented system to meet the needs of IT/communication industry. The graduates are able to apply Electronics and Computer Engineering based techniques to design system for its adaptation in multi-disciplinary environments. The industrial training is offered for 4 weeks at the end of 4th semester and 6 months in 8th semester to inculcate the industrial environment acumen in the students. The curriculum is objectively designed to prepare the students for GATE/ National Level exams for higher education programmes and placements in eminent international/ National companies.

Learning Outputs

- To learn fundamental of Engineering as well as core and advanced programmes of computer Science.
- To understand the professional responsibilities and have ability to make judgments in cyber and other security activities based on social and ethical principles.
- To handle technical responsibilities pertaining to legal, cyber security, professional and common social issues.
- To learn designing, implementation and testing analogue and digital electronic circuits, microprocessor systems, signal processing, communication, networking, VLSI and embedded systems applications.
- To apply the fundamental and advanced concepts of electronics and computer engineering for analysing, design, development and implementation of various systems and applications.
- To learn professional ethics and be able to carry out the professional and entrepreneurial responsibilities in the field of communication, electronics and computer engineering field.

Eligibility: (a) B.Tech. Lateral Entry (Computer Science & Engineering)

1. (i)For admission to B.Tech. Programme under lateral entry scheme, the candidates must have passed two years Diploma after 10+2 or three years Diploma after matriculation examination in the relevant subject (Computer Science & Engineering/Computer Engineering/ Information

Technology) from a State Technical Board. The candidate must have obtained 50% (45% for SC) marks as aggregate in the Diploma programme. Such candidates can be admitted in second year of B.Tech. Programme.

(ii) All those candidates who have passed B.Sc. Degree from a recognized University as defined by UGC, with at least 50% marks (45% in case of candidates belonging to SC category) and passed XII standard with Mathematics as a subject shall be eligible to apply

(a) Students who have passed B.Sc. Degree from a recognized University as defined by the UGC, shall clear the subject of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the first year engineering program along with the second year programmes.

(b) Students belonging to B.Sc. stream may further note that they shall be considered only after filing the supernumerary seats in this category with students belonging to Diploma stream.

Candidates who have appeared or are appearing in the qualifying Diploma examination to be held during the current session shall also be eligible for submission of admission form but they will have to pass the Diploma before the date of counselling, otherwise, they will not be considered for admission. Such candidates will not have any claim, whatsoever, with regard to the admission to the programmes.

(b) B.Tech. Lateral Entry (Electronics & Communication Engineering) and B.Tech. Lateral Entry (Electronics & Computer Engineering)

1. i) For admission to B.Tech. Programmes under lateral entry scheme, the candidates must have passed two years Diploma after 10+2 or three years Diploma after matriculation examination in the relevant subject (Electronics or Electronics & Communication Engineering or Electronic Communication System Engineering or Electronics & Electrical Engineering or Instrumentation Engineering) from a State Technical Board. In case of B. Tech. (Electronics & Computer Engineering), the candidates passed diploma in the field of Computer Science/ Computer Science & Engineering/Computer Engineering/ Information Technology are also eligible. The candidate must have obtained 50% (45% for SC) marks as aggregate in the Diploma programme. Such candidates can be admitted in second year of B.Tech. Programme.

Salient features of the Department of Engineering and Technology

i) Core Competencies

The Department of Engineering and Technology imparts competencies in all the major areas of Computer, Electronics and Communication Engineering viz. Artificial Intelligence, Internet of Things (IoT), Machine Learning, Wireless/Optical Communication and Networks, Nano-Electronics, Biomedical Signal Processing, Network Security, Cloud Computing, Big Data etc.

The Department facilitates its students to use the various state-of-the-art facilities for Devices and Circuits Lab., Digital Electronics Lab, Communication Systems Lab, Microprocessor lab, Measurement lab, Instrumentation lab Printed Circuits Board Lab and Electronic Design Automation lab. Research software's including Octave, NetSim, Virtual Nano Lab, Optisystem, BiopacTM, Aneka etc. serve as innovative ground to add another dimension of skill in the students.

ii) Niche Areas

Department is graced with a distinguished and highly qualified faculty. The department also facilitate the Research & Development activities in the following spheres:

- Artificial Intelligence, Internet of Things (IoT) & Machine Learning.
- Wireless/Optical Communication and Networks.
- Nano-Electronics & Electronic Devices.
- Biomedical Signal Processing, Biomedical Instrumentation.
- Programming/Network Security & Cryptography.
- Cloud Computing, Big Data.

iii) Special Features

The department is a part of Faculty of Engineering and Technology, and since its inception, it has been actively engaged in promoting technical education in the fast growing fields of Information and Communication Technology. The Department provides a well-designed programmes curriculum that facilitates a unique blend of theory and practical to help students assimilate the subject thoroughly. The curriculum stresses on developing analytical skills, communication, problem-solving and team work abilities.

Labs are equipped with high end tools and instruments, for hands-on experience to assimilate theoretical knowledge. The Computer Labs are well equipped with latest PCs supported with internet connectivity through leased line. For the practical understanding and exposure of the technology, students are encouraged to take up projects in diverse areas related to Engineering and technology. The students are also motivated to participate in various co-scholastic activities

like mock campus interviews, Group discussions, and seminars to hone Soft-Skills and enrich their personalities. The N.S.S. unit actively organizes camps of Blood Donation, Tree Plantation and Aids Awareness etc. Excellent campus placements have been achieved by the collaborative efforts of the centralized Placement cell, faculty and students of the university.

Special Features

The Department of Law focuses on building strong legal understanding with real-world relevance. Key areas include Constitutional Law, Criminal Law, Corporate Law, and Human Rights. Special attention is given to emerging fields like Cyber Law, Environmental Law, and Intellectual Property. The department encourages practical learning through moot courts, legal aid activities, and case studies, helping students connect theory with practice.

The department has a dedicated team of experienced and qualified faculty members. They combine academic knowledge with practical insight, making learning clear and engaging. Faculty members guide students closely, support research activities, and encourage critical thinking. Many are actively involved in seminars, workshops, and legal research, ensuring students stay updated with current legal developments.

The Department of Law has earned recognition for its academic excellence and student performance. Students regularly participate in and win moot court competitions, debates, and legal quizzes. The department also organizes seminars, guest lectures, and legal awareness programs. Its commitment to quality education and skill development has helped graduates build successful careers in legal practice, judiciary, corporate sectors, and public service.

The department is supported by a well-equipped library that serves as a strong academic backbone. It offers a rich collection of textbooks, reference books, law reports, journals, and periodicals covering various areas of law. Access to updated legal databases and digital resources helps students stay informed about recent judgments and legal developments.
