

Research and Development

Best Media Department Award-2018

Department encourages teachers and research scholars to present papers in national and international conferences.

Also their papers have been published in reputed journals.

Students develop their research skills through guided dissertations which is a necessary condition for their degree.

On its Facebook Page, the Department manages its own Radio Channel, Radio Suvaani.

Practical oriented training and assignments like documentaries , News bulletins etc. in their own studio , with cameras, teleprompter, mics ,along with theoretical aspects give students a well rounded personality.

Students visit various media organisations, Vidhan Sabha, Parliament, FTII a part of their curriculum.

Achievements
